

Just a Word to Delinquents.

Again we remind all subscribers to The Review who are in arrearsages to please pay up as all past due accounts will be placed for collection by June 1st. We are making many offers whereby you get your subscription to The Review for practically nothing and you should take advantage of them and pay now and save future embarrassment. The month and year your subscription expired is marked each week on your paper opposite your name and you can readily determine how much you owe. You must pay up if you order your paper discontinued to the time you give notification. See the law on the matter published elsewhere. The Review is well worth \$1.00 a year and is getting better all the time and you certainly get your money's worth and should favor us with what you are due as we need the money at this time to meet current expenses. Will you come into see us or mail us a check for what you are due? We are expecting you right away.

DISSOLUTION NOTICE.

On account of my health I have this day sold my interest in Forrest & Cates Selz Royal Blue Store to Mr. O. J. Forrest of the above named firm. The business will be continued at the same stand under the firm name of Forrest & Rosemond Selz Royal Blue Store. Mr. J. S. Rosemond of Hillsboro will be the manager in charge.

All matters pertaining to the business will be taken care of by the new firm, I assuming no responsibility whatever.

JUST THINK FOR A MOMENT

Remember you get a \$2.00 dictionary for 19c with every \$1.00 you pay on subscription old or new. This offer holds good only a short while. It is too an expensive offer for us to carry long. Already some fifty have taken advantage of the offer. You can't buy the dictionary in wholesale lots of 500 for much less than \$1.00. If you ever intend paying what you owe without compulsion now is the time—you will get more than what you owe us in return for each dollar on your account. Every school child and business man should have one for handy reference. It is the latest edition and you will be pleased with it.

THE NEWSPAPER LAW

Few readers of newspapers fully and clearly understand the laws governing subscribers. Below are the decisions of the United States on the subject.

Subscribers who do not give express notice to the contrary are considered as wishing to renew their subscription.

"If subscribers order a discontinuance of their periodicals the publisher may continue to send them until all dues are paid.

"If the subscriber refuses to take periodicals from the postoffice to which they are directed he is responsible until he has settled his bill and ordered the paper discontinued.

"If subscribers move to other places without informing the publisher, and the papers are sent to the former address, the subscriber is held responsible.

"The courts have held that refusing to take periodicals from the post-office or removing and leaving them uncalled for is prima facie evidence of intention to defraud.

"If subscribers pay in advance, they are bound to give notice at the end of the time if they do not wish to continue, taking it, otherwise the publisher is authorized to send it and the subscriber will be responsible until express notice with payment of all arrearsages is sent to the publisher."
